IWA Conference Program- Friday 14th November

Conference Theme - "Beyond Garnaut"

8:45am Registration/Coffee

9:15am Introduction and Welcome - East Gippsland Water

9:25am Roger Jones - Principal Research Scientist
CSIRO Marine & Atmospheric Research -

Roger will provide both a provocative and challenging response to the Garnaut report. Combining discussion on investing in our future, how that may occur and looking beyond the balance sheet.

10am Michael Nolan - Principal Consultant
Sustainability Maunsell AECOM

As one of the main advisors to Professor Garnaut for the "Garnaut Climate Change Review", Michael will provide an insight into the inner workings of the report with a particular focus on the water industry.

10:35am Morning Tea

11am Dave Plunkett - Climate Change Manager Genos

Dave is leading Genos's response to climate change and will be presenting on the progress of his findings and the effect they will have on such a large industrial customer.

11:30am Ian Nethercote - Chief Executive - Loy Yang Power

Having over 30 years experience in a number of key strategic and line management positions in the electricity industry Ian is a prime candidate to discuss the implications the above will have on the electricity industry.

12pm

Chris Mobbs - Industry Advisor Community & Industry Partnerships Branch Department of Environment, Water, Heritage & the Arts

Chris will discuss GHD Challenge Plus and beyond.

12:30pm Panel Session

Green House Gas and Carbon Trading

This panel will respond with both individual entity and industry wide implications from the issues raised above.
