

IWA PLENARY SESSION & SIG MEETINGS

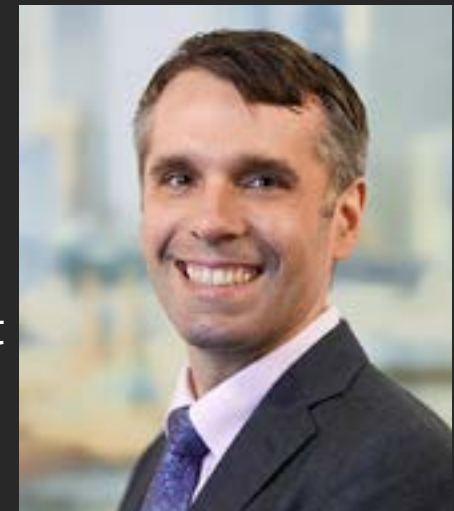

THURSDAY 21 JULY 2022

Plenary Session: 9am, 21 July

Cyber Mega-Trends and the Water Sector: What you and your organisation need to know

Join **Daniel Muchow**, Director - Cyber Security and Digital Trust at PwC, as he discusses the mega-trends in cyber security which will impact the water sector across the globe.

Daniel Muchow, PwC

Daniel will speak to:

- The changing threat landscape, providing insights from some of the latest cyber security incidents in the water sector
- How the push for organisations to embrace digitisation is impacting cyber security posture - and what it means for your cyber strategy
- A coming era of regulation and oversight: what recent changes in Commonwealth regulation mean for you and your organisation
